#### **Because you worth it**

The world is spinning fast, there is no time, there is pollution, the oxidant agents mistreat our skin, we are tired, we need a break; what a better place than **Zen Eco Spa** in Playa del Carmen to find ourselves, pampering us, relaxing and rejuvenating.

We start our day spa with-

- Revitalizing treatment that will clean our skin surface getting rid of the dead cells layer and leaving it healthy and shinny with organic medicine plants.

Our face deserves care-taking too-

- Rejuvenating facial: An elastin and collagen shot, which are the bases for a firm and radiant skin.

When you complete your treatments there will be a veggie sandwich (with the house bread) and a repairing juice.

When you finish your lunch your hands and feet will need all of our attention, let us pamper you with a Zen manicure and Zen pedicure (and polish if needed).
